WE AT THE FOUNDRY BREW PUB ARE PROUD TO HAVE BEEN ANNOUNCED AS

WINNER

OF THE PUB OF THE YEAR
BY VISIT KENT

The winners have been announced for the 2019 Kent Tourism Awards. Around 150 tourism industry invitees attended the awards ceremony in December. The awards were devised and launched in 2017 by destination specialists Go To Places - who deliver Visit Kent - to reward exceptional standards of customer service and outstanding visitor experiences within the local tourism industry. Following an initial round of judging by an expert panel of independent tourism judges, the shortlisted finalists were decided by mystery shopping visits. Winners will automatically go through to compete in Visit England's National Awards for Excellence.
